

Water based, screen printing adhesive. It dries very fast and is repositionable. Engineered to print on paper, cardboard and plastic substrates.

Chemical-physical features:

- Permanent and repositionable adhesive
- Fast drying
- Suitable for plastic films like PVC, PET, polycarbonate and for paper and cardboard
- Heavy metal free
- Compliant with European Norm EN71/3, 2019-2021 release

Instructions for use:

ENGLERSTICK is ready for use. Simply mix thoroughly before use.

Screens and yield:

Screens: 34-77 th/cm
Yield: with 77 th/cm screen it is possible to print about 24-28 m² per KG

Drying and curing:

At room temperature

Note:

Should you use ENGLERSTICK as adhesive, it is recommended to start lamination immediately after printing

Cleaning:

Clean screens and tools with water

STACKING:

It is strongly recommended to protect ENGLERSTICK immediately after drying with silicon paper sheets or similar.

Products range:

ENGLERSTICK Taglio (Cod. 63405): it is used to reduce viscosity by preserving the main features of the product

NOTE:

It is recommended to carry out a test to identify the proper quantity of ENGLERSTICK necessary to obtain the requested adhesion result. It is recommended to laminate the printed substrate and check the tear strength necessary to delaminate.

Storage:

Protect from extreme temperatures. It is recommended to keep the original closed container in a dry, fresh and dark place.

Shelf life: 12 months

Packing:

Plastic containers: 1 - 5 KG

NOTE

Our technical advice whether spoken, written or through test trials corresponds to our current knowledge and provides information about our products and use. ENGLER ITALIA cannot, however, guarantee the finished results because ENGLER ITALIA exercises no control over those factors which may determine the use and application of the product at the user's headquarter.

Unless specifically agreed in writing, ENGLER ITALIA is not, therefore, liable for any loss or damage deriving from an unauthorized use of the product.

The selection and testing of the product is exclusively user's responsibility. Should any liability claim arise, they shall be limited to the value of goods delivered by ENGLER ITALIA and utilised by user with respect to any and all damages not caused intentionally or by gross negligence.
